UNITY

UNITY

The fact, the quality, or condition of being one, oneness, singleness, being one and indivisible by nature or definition,

Being unified with the administration, faculty, and student body,

Harmony between 1400 people experiencing ecstasy, happiness, sorrow, disappointments, together

Black and White forming a complex whole, undivided whole,

Reaching greatness as a team, accepting a challenge, claiming victory, facing defeat with friends,

Combined love for Huntington, not wanting to give up, satisfied being with each other, integrating our ideas,

Graduating Seniors, anticipating Juniors, hoping Sophomores, beginning Freshmen, dancing, cheering, singing the Alma Mater, exemplifying school spirit.

Shared emotions, smiles depended on, clasped hands, eyes that understand, unified, because we are proud Raiders,

Being one and indivisible by nature or definition, singleness, oneness, of being one, condition, quality, fact.

This is "UNITY."

Jacquelyn Avanelle Nash

ADMINISTRATION AND FACULTY

OUR PRINCIPAL OFFERED LEADERSHIP AND FRIENDSHIP

It was not an easy task to keep the HHS ship running at full speed, but under the leadership of our capable captain, Mr. Joseph E. Odom, we were able to forge ahead.

Mr. Odom received his academic training in the public schools of Mobile, Alabama, B.S. from Grambling State University, and M.S. from Ohio State University. These coupled with additional study and travel have helped make it possible for him to keep the ship shipshape.

1974 HOMECOMING COURT

JULIE HUGH: FIRST HOMECOMING QUEEN

Thirteen girls proudly walked across the football field to begin a tradition that was to be long remembered.

Each girl's heart was filled with excitement as she was presented to fans to the tune of "Color My World." Adding to the festivities were performances by the pep squad, band, choir, and ROTC.

The climax of the evening was reached as Mr. Odom crowned Julie Hugh 1974 Homecoming Queen.

The homecoming court anxiously watched the game.

From the heat of the pep rally . . .

. . . to the twilight of the dance.

Mr. Odom, Principal; Eric Jester, crown bearer; and Karen E. Lee, flower bearer watched as the homecoming court was presented to a cheerful crowd.

Homecoming queen Julie Hugh was crowned by Mr. Odom . . . and presented a bouquet of red roses.

The Huntington High Football Team began the 2nd year in Raiderland with tall hopes. Season no. 2 started brilliantly with the Caddo Parish Jamboree where the Raider football team showed that they were for real by winning both quarters: 7-0 over Fair Park and the other 7-0 over Byrd. The Raiders were looking for an abrupt turnaround in pigskin fortune, but for some reason it did not come. Maybe the breaks were not there or maybe the time just had not come; yet they kept "movin on."

CONGRATULATIONS.

Knights Lose to Huntington

By Edward Cassiere
Times Correspondent

There was good news and bad news for Woodlawn's Knights Tuesday night.

First, the bad news: they finally lost a District 1-AAAA game. Huntington's Raiders did what no other district team had done in six games, whipping Woodlawn 70-67 on the Knights' home court.

Now, the good news: second - place Southwood was upended by Fair Park 64-60 to drop the Cowboys into a three - way tie for second, still two games back of the Knights with three to play.

Byrd, like Huntington, kept its playoff hopes alive by trouncing Booker T. Washington 86-67 in the Lions' Den. Byrd, Huntington and Southwood are all 4-3, compared to Woodlawn's 6-1 record.

"We want to win it (the championship) ourselves," said Woodlawn coach Ken Ivy after the loss to Huntington.

The Knights came out cold in the first half and missed the rebounding strength of center Clifford Gilliard, who sat out much of the first 16 minutes in foul trouble. The Raiders built up a 15-point lead before three free throws in the last 22 seconds by Edward Scott pulled the Knights within 12, 38-26, at intermission.

They continued the rally in the third

period, closing the gap to one point twice and then finally catching the Raiders at 59-all with 3:48 left in the fourth quarter. Scott's driving layup deadlocked it; then Alvin Hendricks sank two free throws to give the Knights their only lead of the second half at 61-59 with 3:35 showing.

Two free throws by Huntington's Alonzo Hughes tied it, and after another tie at 65, Hughes canned a layup with 57 seconds left and the Knights failed to answer.

Cleve Bryant then stole the ball and scored on a layup to give Huntington a four - point bulge with 42 seconds remaining.

Hughes put the lid on with a free throw with 22 seconds left, and Huntington had its 15th win against 11 losses for the season. Woodlawn is now 21-8.

Huntington High's Cage Team of 1975 was very much the master of its own destiny. The two year old Raiders enjoyed the fruits of a 17-13 overall season, and a near second place finish. Coaches Larry Shoemaker and Danny Bob Turner guided their men to a special playoff, a heartbreaking loss to Byrd, in the season's finale held at Centenary's Gold Dome.

The Raider's second year will go down in the log as a productive one. They brought home the first athletic trophy of their young career by taking second place in the Ringgold Tournament. A close look at the statistics shows that they ended the year with a 6-5 district record to finish third in 1-AAAA, and that they were a constant threat to be in the playoffs.

Due credit must be given to the thirteen men who made up the varsity squad. They exhibited team effort all the way, and produced several standouts. Harold Thompson was the city's leading scorer, averaging over 21 points per game. Rebound leaders were Harold Thompson, 14.5 ppg. and Douglas Duncan 13.8 ppg.

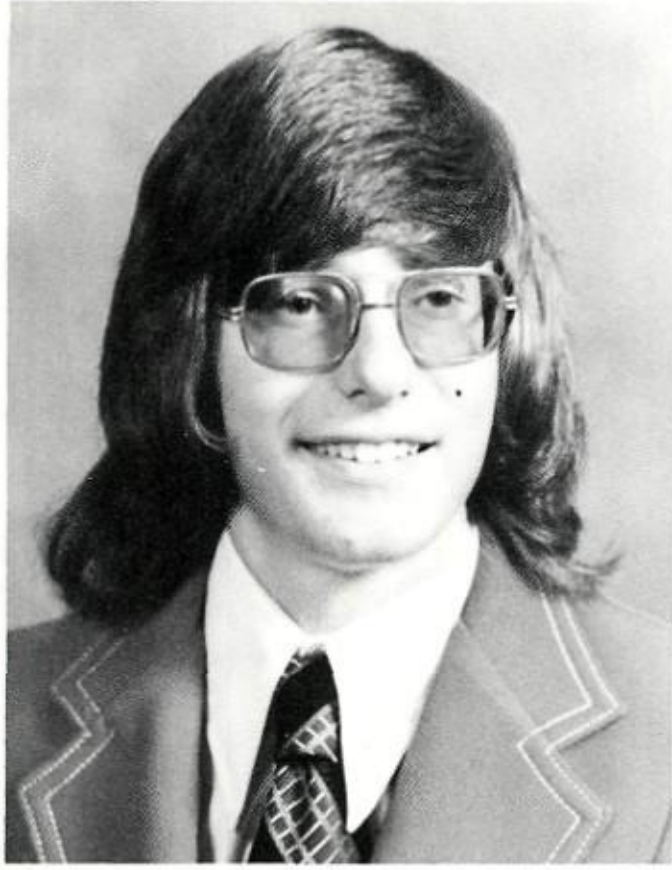

The tension was high.

Not here brother!

JUNIOR RESERVE OFFICERS TRAINING CORPS

COLOR GUARD

Cadets George Rowell, Richard Lee, Robert Hall.

SFC George M. Lee

The Junior ROTC course is another way in which students can further their abilities by more than one means. Its purpose is to teach leadership, respect for authority, responsibility, and discipline. After a cadet has obtained these principles, he may live a more successful life in both military and civilian style.

ROTC offers two extra-curricular activities — Drill Team and Rifle Team. During the classes, cadets learn about military topics such as Drill and Ceremonies, Psychology of Leadership, Techniques of Military Instruction, Military History, and Combat Tactics and Formations. Each year there are awards given to the outstanding cadets achieving scholastic and military excellence.

REFLECTIONS OF THE PAST

While compiling the 1974-75 edition of the GALLEON, memories of past school days were brought to the minds of the editorial staff. Each time a page was completed, one would think of the triumphs and defeats of the past year. The final football game, the last time the Silver Treasures performed, the English test not studied for — all come flooding back into our thoughts of forgotten days.

It is my hope that everyone viewing the GALLEON will also experience these feelings of nostalgia as they turn the pages of the past, not only this year, but in years to come.
